CARDINAL CONNECTION

LUVERNE MIDDLE SCHOOL – HIGH SCHOOL WEEKLY NEWSLETTER

Luverne Public Schools – 709 N. Kniss – Luverne, MN 56156 – Mr. Johnson – HS Principal – Mr. Phelps – MS Principal – Edition # 9 – Nov. 5, 2021

FALL PARENT CONFERENCES

Our first quarter ended at the Middle School and High School today. We held our first evening conferences last night and will have another evening on Tuesday, November 9. A majority of teachers will be in the HS/MS gym from 4 until 7 on Tuesday night. Conferences are a great chance for parents to talk with teachers and get updates on how students have been doing over the first quarter.

COVID VACCINE INFORMATION

With the approval of vaccines for students ages 5-11 the school district has worked with our Sanford Clinic in Luverne to make information concerning vaccinations available to families. Read the following letter and contact the clinic at Sanford Luverne for details and information. At this point we are not planning to host a vaccine clinic at the school. All COVID related information can be found here.

VETERANS DAY PROGRAM

Each year our HS/MS hosts a Veterans Day Program. **Thursday, November 11** is Veterans Day and the program will take place at 2:00 in the Performing Arts Center. The program allows us time to honor those Veterans who have served and is open to the general public. With help from our local Veteran groups we hope to have another great program this year. The program will also be streamed live for those that cannot attend.

ACTIVITY AND SPORTS UPDATE

Fall activities are coming to a close and winter activities have started or will begin soon. See below for updates

- Best of luck to the Boys and Girls Cross Country teams as the participate in the state meet on Saturday.
- The High School Choir concert scheduled for Thursday was moved to **Tuesday, November 9** due to a conflict with Volleyball. The concert will take place at the **Performing Arts Center at 7:30** that evening.
- Middle school winter sports have been having meetings during flex this week. Please contact coaches for details on middle school sports including start dates and schedules.

NEWS AND NOTES

- All updated activities schedules can be found at: Big South Conference Schedule
- Parents can access students grades online anytime at: Infinite Campus Parent Link
- Live streamed activities and events can be found at the CardinalVision YouTube channel
- All COVID related information including daily case updates can be found here.
- Updated weekly lunch menus including ale carte options can be found here.
- **Monday, November 8** will be the start of the second quarter. Middle School students can pick up new schedules at their first period class on Monday.
- As we get closer to the winter we remind families that the district continues to have flexible E-learning days in place to replace traditional snow days. More details on E-learning days will come as winter weather approaches.
